

DOWNSIZING IS NOT A DIRTY WORD - WORKSHOP - AUGUST 21- MITCHAM LIBRARY

*'Choosing your next life not just
your next home'*

For many people, the word "downsizing" feels like giving something up.

A smaller home. Less space. A change in identity.

But what if downsizing wasn't about losing something?

What if it was about gaining something?
More freedom. Less maintenance. More travel. More time with family. More financial flexibility. More life.

Join locals, Danae Campbell & Mary Palaric from Pink Lion Finance, Property & Downsizing for an honest and practical discussion about navigating your next chapter with confidence.

Mitcham Library - \$25pp - with light lunch provided. EMAIL us at hello@pinklion.au or call us on 0429 398 329 - limited places.

WE'LL EXPLORE :

What does your next chapter actually look like?

What lifestyle do you want to create?

Understanding your financial position

Creating income and security for retirement - Protecting wealth for future generations

Property decisions that support your life

Stay, sell, renovate, develop or relocate? - Creating a strategy before making decisions

Family conversations that matter

How to involve children and loved ones - Aligning expectations and goals

Building your team to support your next life
